Seeking Citizen Volunteers Montague Public Work Facility Planning Committee

The Montague Selectboard is seeking residents to participate in a Public Works Facility Planning Committee. Town Meeting has commissioned a preliminary design for a new facility to be located at Sandy Lane. Working closely with town officials, this group will be responsible for selecting and overseeing the project designers. Interested parties should address a statement of interest to the Board of Selectmen.

Questions can be directed to Walter Ramsey- Town Planner 413 863 3200 ext 207.
